Dear Vice President Battisti,

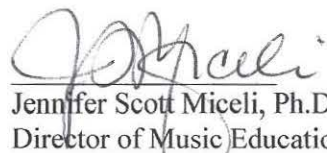

This letter will confirm that the attached SUNY Course Equivalency Table is an accurate articulation between the SUNY Broome Community College's Associate of Science degree in Music Education and the Bachelor of Music degree in Music Education at LIU Post.

The design of this program will enable SUNY Broome graduates with an AS in Music Education to transfer into our baccalaureate program and will afford them the opportunity to earn the baccalaureate degree with two additional years of full-time study. Students must meet admission criteria, maintain good academic standing, and follow advisement.

Thank you.

Sincerely,

Steven Breese
